

WESTERLY

W

2013 WESTERLY FLETCHER'S WHITE HAPPY CANYON OF SANTA BARBARA

COMPOSITION

38% Sauvignon Blanc
24% Semillon
22% Roussanne
16% Viognier

THIS RICH AND BOLD WHITE HAS NOTES OF STAR FRUIT AND QUINCE. UNCTUOUS AND STYLISTICALLY UNIQUE, THE 2013 FLETCHER'S WHITE WILL DRINK WELL OVER THE NEXT 8-10 YEARS.

WINEMAKING NOTES

The fruit for the 2013 Fletcher's White was sourced from two neighboring vineyards on Westerly Road in the Happy Canyon of Santa Barbara AVA. The fruit was harvested by hand between late August and early September, whole-cluster pressed, and then fermented as separate components exclusively in 100% new French oak barrels. Bi-weekly lees stirring was used to bring texture and richness to the mouthfeel. The components were racked and blended in early 2014, and then put back in barrels for six months as a final blend. Cold stabilized and bottled in July 2014.

TASTING NOTES

The 2013 Fletcher's White is a classic "winter white". Deep gold in color, with a nose of ripe stone fruits and grilled baguette. This rich and bold white has notes of star fruit and quince on the palate, as well as the classic nutty and waxy characteristics commonly found in Rhône whites. Unctuous and stylistically unique, the 2013 Fletcher's White will drink well over the next 8-10 years.
